**Minimum order quantity**

no minimum order quantity limited,any quantity is welcomed.

**Shipment service**

We can help to find a good shipping forwarder to ship the goods to the destination port.However,if you have a good shipping forwarder,we can also use yours.

**Price terms**

FOB for 40'HC or 40'GP container;FCA for 20ft container;EXW for Less container loaded(LCL).

**Products warranty**

We provide 36 months products warranty to make sure our customers obtain good sales.(All is valid for 36 months except for the PU items with 12 months warranty)

**Production lead time**

One 20ft container 35~40 days,One 40ft or 40'HC container will be 45~50 days. Less container loaded (LCL) products same production time as one 20 ft container.(noted:if one container mix over 20 items,please give us 1 week more for production;if one container mix over 30 items,please give us 2 weeks more for production.)

**Replacement Policy**

As to oversea's orders we guarantee 36 month (except for PU items) for any reason.In case that any defect item is found,please send us emails with specifics and pictures.We will send replacements part like the legs/arms/cushions to repair the furnitures or make new replacement in any coming orders.Considerating the overseas' long distance apart from China,small spare part for urgent needed can be sent by DHL (Less than 100USD DHL fees) and big spare part(Over 100USD deliver cost) can be sent by next coming order.In another way we will solve as discount with next order. we anyhow will give the solution for meeting any problem.

**Products Inspection Policy**

Since we provide 36 months guarantee,hereby we kindly require no inspection because our warehouse size limited.If new customer require to come to inspect goods,we can only provide the random inspection due to our warehouse size limited.Please kindly inform us one month in advance in case of the inspection is needed.

**The leather/fabric/stainless steel what we use**

The leather what we use is only italian top grain leather or aniline leather.We never use the inferior split leather, second leather or PVC.The stainless steel what we use is SUS304#,Either polish or matte finish which depends on different designs.All the fabric what we use is the high quality fabric.

**Fabric or leather swatches available**

We can use DHL to airmail the leather/fabric swatches including our catalogue for free to those customers who is going to make orders from us.

**Extra Wood Pallet package service**

If the goods is less container loaded,the goods has to be packed by a extra wood pallet to protect the carton box. which need to add a extra 6USD per box.It can make sure no damage on way of complex transportation.

**Package Materials**

Sofa package:The package material including 3 layers.Thick PE foam to corner protection,middle layer with polyester bubble bags,outer layer with woven plastic bag.

Chair package:The package material including 3 layers.Thick PE foam to corner protection,the cardboard to protect the chairs legs. middel layer with polyester bubble bags or Non-wovon bag,outer layer with K&K carton box.If the chair is heavy we normally use the pallets.

Glass package:The package material including 3 layers,polyester bubble bag for inner,the high density foam to protect the edges and corners.middle layer with K&K carton box.outer layer with pallets.
