1. Manual Push Mower

1. TriAction Cutting System combines rake guard, unique S-blade design and symmetrical deck to create the perfect cut
2. Symmetrical steel deck and S-blade eliminated clumping by providing superior air flow and finely mulched clippings
3. Front rake guard lifts grass upright for a clean, even cut
4. Deck extends beyond the wheels on both sides for maximum trimability
5. Dual lever height adjusters are simple to use with no tools required
6. Side discharge chute comes with handy, built-in clip to attach to handle when not in use .
