Midocean Today

As a specialist in the steam shower and whirlpool industry for more than 10 years, Midocean currently owns production and research bases that cover an area of over 55000m² and meanwhile owns two brands "Midocean" & "Aroma". The products have been widely sold to China domestic market with 45 chain shops and more than 70 countries and regions worldwide. In our latest brochure, you can expect to find a range of products that reflect our choice of quality materials and workmanship, modern designs and competitive pricing. Invest in yourself today and making your correct buying decision here---Midocean.

Quality and Price Promise

As a professional manufacturer in the bathroom industry Midocean understands the importance of making the correct buying decision. Each product has been carefully selected to ensure the convergence of quality materials and workmanship with modern designs, cutting edge home spa technologies. Midocean is confident that our prices will not be beaten compared with the products of the same quality and the same features.

Guarantee & Certification

Choosing a reliable supplier from China and creating the business system in your country can be a big investment and we want you to feel secure in your decision to buy from Midocean. That's why we provide a 1 year guarantee on each of the shipment. This guarantee covers all parts against defects in manufacture that may lead to breakdowns. The guarantee does not however cover accidental damage or normal wear and tear.

Each Midocean product has passed the CE safety mark and additionally has been manufactured in accordance with ISO 14001 and ISO 9001:2000. Some products have passed the ETL and UPC safety mark. Conformity to these certificates and standards shows that both the product and manufacturing process are to a standard that will guarantee your and customer satisfaction

New arrival
